The complaint of the petitioner in this writ petition is that although the State Transport Appellate Tribunal has reversed the order of the R.T.A. rejecting the application for regular permit submitted by the petitioner and directed grant of permit, the same is not being issued after settling timings by the second respondent. The learned Government Pleader submits that settlement of timings can be only in accordance with priority of issue of permit. In the above circumstances, this writ petition is disposed of directing the 2nd respondent to settle the timings of the petitioner after hearing the parties who may be affected by the timings and take a decision in accordance with the priority of issue of the regular permits.
